## **Recycling Event to Benefit and Clean up Waialua Area**

*Community collects metal and other recyclables to benefit Waialua Community Association*

**Waialua:** The Waialua Community Association, one of Hawaii's oldest community associations, will host its first annual Aloha Aina Recycling event with the help of Schnitzer Steel, City Councilmember Donovan Dela Cruz, and other community groups.

**What:** Aloha Aina Recycling Event – Benefiting the Waialua Community Association.  
**When:** Saturday August 4, 2007, 8 AM- 2 PM  
**Where:** Waialua Community Association, 66-434 Kamehameha Hwy.  
**Who:** Contact Rene Mansho, 306-1876, or Jon Mahr, 285-3876 for more information or to schedule bulky item pick up.

The community is encouraged to bring scrap metal, newspaper/cardboard, tires, green waste, car batteries, useable clothing and household items, and computers (one per household) to the event on Saturday (8 AM – 2 PM).

The Waialua Community Association facility offers the community one of the most used spaces for public events and outreach activities. Most notably is the Association's annual Thanksgiving meal that caters to the community and those less fortunate. Proceeds from the recycling event will go towards maintaining and upgrading their facility.

For more information, or to volunteer, please contact Councilmember Donovan Dela Cruz's office at 527-5561.
